

1. Human rights and their infraction
We will never find the real role
Fear of pain is our malediction
Why we slave for pain and sorrow

R: Try to choose right way
Try to choose right way

2. There is something we must fight for
Even it's burning and hurting
We must fight for others freedom
With all our courage and power

R: Try to choose right way
Try to choose right way

1. Human rights and their infraction
We will never find the real role
Fear of pain is our malediction
Why we slave for pain and sorrow

R: Try to choose right way
Try to choose right way

3. I and you can not see
What they feel
Don't be vain

It's enough to get know
Don't be blind
It is real !!!

R: Try to choose right way
Try to choose right way
